Terms & conditions plus Data Protection Information 2025/26

To confirm your booking - We need the booking form completed, signed and returned with the applicable deposit for your chosen holiday type. Whilst the NHSRF cruise details are completed on the right-hand side of the booking form, please make sure you complete the left-hand section with your own contact information. You also need to complete the passenger 1 sections (&2 if applicable) with the names/dates of birth etc of those sharing your room/cabin. By confirming your booking, we are assuming you have read and accept our booking conditions - full details of which can be found at <https://www.rivieratravel.co.uk/docs/terms>

The booking conditions - Our full booking terms and conditions are your contract with Riviera Tours Limited trading as Riviera Travel. These terms plus financial & data protection information are available via our website or brochure. Please read them carefully as you will be bound by them. By confirming your place on this group holiday, you agree to receive occasional news plus holiday information and offers from Riviera Travel; you can unsubscribe at any time.

The deposit - Can be paid either by cheque attached to the booking form, made payable to Riviera Travel, or by credit/debit card (please indicate on the booking form and we will call to take payment once the form is received in the office - no fees are charged).

Balance Payment - The balance payment is due to reach us on or before the deadline stated on your confirmation - currently 101 days prior to travel this NHSRF dedicated cruise in 2026.

Passports - Please ensure all passengers travelling on the booking have a valid biometric or e-passport, with 2 clear pages and at least 6 months validity by date of return. Please be aware that for travel in the EU, currently your passport expiry date will be 10 years from issue date and any extra months are invalid. We do advise you to re-check on the gov.co.uk site at least 6 months prior to travel for up-to-date information. Please check the Foreign & Commonwealth Office website for the latest travel advice relating to your chosen destination/s - including any destinations you may transit through. Passport details can be provided at a later stage if they are due to be renewed/applied for.

Visas - Visas are not necessary for British Passport holders - all travelers are personally responsible for ensuring the correct passport, visa and health/travel documentation is available and all conditions met for their holiday plans. Full details can be found at <https://www.gov.uk/government/organisations/foreign-commonwealth-development-office>

Insurance - It is your responsibility to take out appropriate travel insurance and this is encouraged to be at the time of booking. It is a requirement of our Booking Conditions that every Riviera passenger is in possession of valid Travel Insurance for the full duration of your trip. If you have not organised this yet, please make sure you are covered before you leave home.

Data Protection Information and your privacy - As part of your holiday booking, we have to ensure that the information we receive has been handled in a lawful manner. You can find full details of how we handle your data on our website <https://www.riviera-travel.co.uk/privacy-policy>

For this dedicated NHSRF cruise, these particular items should be noted:

- *Use of photographic images* - You will be asked to sign a consent form for any images taken during this holiday to be used by the NHSRF or Riviera Travel in relation to this cruise.
- The information that they provide will only be used for the purposes that they have agreed to in the consent form and in accordance with our Privacy Notice.
- We will not pass the details recorded on this form on to any other organisation without their permission.
- We will not store traveler data for any longer than two years (some images may be archived for historical purposes).

Please be aware, that in the event a customer decides to withdraw or revoke consent, we can remove their image from our websites and/or our own online publications. We will NOT be able to remove their details from already printed and/or distributed materials. Equally, we will not be able to remove their details from other Social Media channels over which we have no control.

Riviera Travel reserve the right to cancel this exclusive NHSRF cruise should the demand not be sufficient for it to operate. It may be necessary in these circumstances to open up for general bookings. In this instance, the cruise would operate as a standard cruise without any NHSRF elements including representation onboard, and any further bookings would not be available at the exclusive NHSRF rates.

We look forward to hearing from you - if we can be of any further assistance, please do not hesitate to contact us.
